Consultation meeting for new shopping development Monday 10 September 7.30 pm Town Hall

The local Council has given planning permission for a new shopping centre in the High Street which will include a big supermarket, a range of other retail outlets as well as extra parking.

The new shopping centre will provide jobs for local people and more choice for shoppers say the developers.

However, local shopkeepers fear that they may be forced to close their businesses as a result of the competition.

Many residents think the development will spoil the look of the high street and create more traffic pollution and poor air quality.

You have 10 minutes to prepare what you are going to say.

You can make notes or use bullet points but you cannot use full sentences.

You should not read out what you want to say.
