# gateway qualifications

# Assessment & Internal Quality Assurance of Entry Level 3 Digital Functional Skills Qualifications

This webinar is hosted by a senior Quality team member and is aimed at assessors and IQAs. We will be introducing Surpass and standardising marking at Entry Level 3 **only**.

**Before attending this webinar, watch the Delivering & Assessing DFSQ Guidance & Support training video, which includes both Level 1 and Entry Level 3.**

This webinar is available exclusively to our approved DFSQ Centres; please ensure you book your place using an organisational email address provided by an approved Centre.

Duration: 2 hours
