**Are the content areas covered in the
Employability National Standard
appropriate?**

① Start presenting to display the poll results on this slide.

slido

Are there any additional content areas that should be covered in the Employability National Standard? Please add any areas that are missing.

① Start presenting to display the poll results on this slide.

Employability

Available at Level 1 only

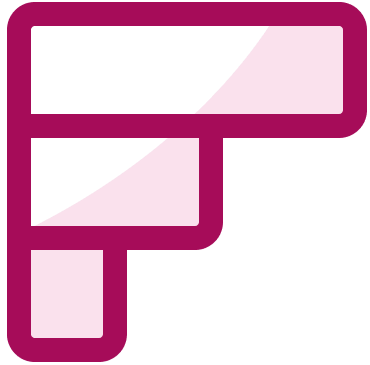

75% content delivered (11 out of 14 content areas)

100% assessed (all content areas)

Optional additions: Travel & transport, Physical & mental health

55-160 GLH

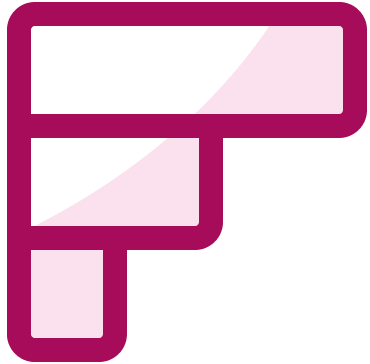

slido

Do you agree the Employability qualifications should only be available at level 1?

① Start presenting to display the poll results on this slide.

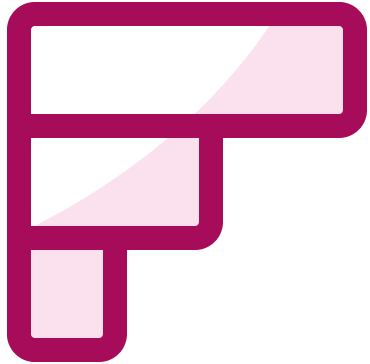

slido

Do you agree that the delivery of the Employability qualification should cover at least 75% of the Employability Standard, whereas the assessment should cover the whole of the Standard?

① Start presenting to display the poll results on this slide.

slido

Do you agree that the Employability qualifications could be delivered in 55-160 Guided Learning Hours (GLH)?

① Start presenting to display the poll results on this slide.

Personal and Social Development Content Areas

Communication

Planning and scheduling

Action and consequence

Self-management

Problem-solving and decision-making

Accessing information, guidance and support

Critical thinking and creative enquiry

Cooperation and engagement

Interpersonal skills

Self-reflection and evaluation

Personal development and enrichment

Health and wellbeing

Digital technology and online environments

Travel and transport

slido

Are the content areas covered in the Personal and Social development National Standard the right ones?
