This leaflet illustrates a variety of ways that you can build progression pathways using our Creative Industries qualifications.

The pathways shown are suggestions based on our experience and that of providers using these qualifications – you can develop other pathways to meet the local, regional and national employer needs relevant to your learners using the units shown below.

If you'd like a free of charge, no-obligation meeting to discuss your particular needs and how you can tackle your specific challenges, call our Business Development team on 01206 911 211 to arrange a suitable time.

Creative Industries Units

The following units are available within these qualifications to support Creative Industries progression pathways. Please refer to the relevant qualification specification for details of the rules of combination and barred units, as not all units are available in each qualification.

A range of **Digital, Employability**, **English**, **Maths** and **Sustainability** units are also available for use within these qualifications. Please visit the website or view the qualification specification for full details.
